*“From the school house to the court house, the odds seem to be pervasively stacked against the black male. Unemployment rates, school drop-out rates, income levels and incarceration rates of black males, as compared with white males and black females, are clear indicators of the challenges they face . . . The good news is that these odds can be overcome by putting constructive strategies to work.”*

The **Priority Male Initiative** was developed by the Community Council of Metropolitan Atlanta (CCMA), a 501(c)(3) non-profit organization, to provide resources that will help at-risk young males, between the ages of 18-28, reach their full potential, through free empowerment workshops, a twenty-six week life skills/job readiness institute, and the *Man2Man Mentoring Program*.

We invite you to partner with us in our efforts, by accepting the **CCMA BUCK Challenge** today. Your tax-deductible donation can be made online at [www.communitycouncilma.org](http://www.communitycouncilma.org), or by mailing the attached form to: **Community Council of Metropolitan Atlanta, Inc. 80 Walnut St., Suite 103, Atlanta, GA 30314.**
